Introduction

Safety and security at Tillamook Bay Community College (TBCC) requires the efforts of our students, employees and volunteers. Safety and security concerns, and response to such matters are an important part of providing an appropriate learning environment.

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (the Act), originally enacted by Congress in 1990, codified at 20 USC 129(f) as part of the Higher Education Act of 1965, is a federal law that requires colleges and universities to disclose specific information about crime and security policies on an annual basis. The original law, and subsequent amendments, was championed by the parents of Jeanne Clery, who was murdered in her dorm room at Lehigh University in 1986. Amendments to the Act in 1998 renamed it in memory of Jeanne Clery (The Clery Act).

In 2008, the Higher Education Opportunity Act (HEOA) (Public Law 110-315) reauthorized and expanded the Higher Education Act of 1965, as amended. HEOA amended the Clery Act and created additional safety and security related requirements for institutions of Higher Education.

Recently, both Title IX and The Violence Against Women Reauthorization Act of 2013 (hereinafter VAWA) have both added additional requirements to ensure safety to both students and employees.

The information contained in this report is provided to assist students and their parents in making decisions that may affect their personal safety when considering enrollment at Tillamook Bay Community College. The report also provides students/prospective students and current employees/prospective employees with information they may need to avoid becoming victims of crime on campus.

More information on the Clery Act can be found on the Department of Education's Campus Security website: <http://www2.ed.gov/admins/lead/safety/campus.html>

General Safety

TBCC and its administration strongly believe everyone has a role in providing a safe learning environment. For your personal safety and others of the campus community, consider the following suggestions:

- Notify Campus Safety at (503) 842-8222 ext. 2200 of suspicious activities or people.
- Remember the location of assistance telephones on campus.
- Be aware of your surroundings.
- Trust your instincts. If you think something is not quite right, go to where there are other people.
- Park in well-lit areas
- Do not leave personal items unattended in your car or campus buildings.
- Scan the interior of your car before entering.

Access to Campus Facilities

TBCC Main Campus and PRI are open campuses and are generally open only when classes are scheduled. When the campus is closed, all exterior doors are locked limiting access to authorized key holders. Main Campus access is during the hours of 7:40 a.m. to 7:00 - 8:30 p.m. during regular academic terms. Access to the PRI Building is 7:50 a.m. to 5:00 p.m. College buildings are closed on Saturday, Sunday, and holidays. During the months of July and August college buildings are also closed on Fridays.

Building access key cards are issued to staff and faculty who may require access to the campus outside of regular hours of operation. Access levels are assigned based on the roles and responsibilities of staff and faculty, as well as what building(s), and areas of a building access is appropriate.

Alarm monitoring is provided through a contracted service. Notifications of alarms are sent to various staff, depending on the nature of the alarm who respond, with local emergency services, appropriate to the situation

Title IX Coordinator

TBCC's Title IX Coordinator is Britta Lawrence. The Office of Title IX is located in Room 112 of the Main Campus building. (503) 842-8222 ext. 1026.

Reporting Crimes and Other Emergencies on College Locations.

All criminal offences, including Clery Act crimes should/may be reported to one of the following staff on campus, who will in turn contact Tillamook Police Department or appropriate local law enforcement.

- Jason Lawrence –Director of Facilities and Safety
503-842-8222 ext.1520
Jason.Lawrence@tillamookbaycc.edu

- Rhoda Hanson – Vice President of Student Services
503-842-8222 ext. 1110
rhodahanson@tillamookbaycc.edu
- Paul Jarrell – President
503-842-8222 ext. 1015
pauljarrell@tillamookbaycc.edu

In the event of a situation that feels like a life-threatening emergency, the Tillamook County Emergency Communications District may be reached by dialing 911 from any phone on campus. Campus Safety should be called after calling 911, if safe to do so.

Telephones are located in all college classrooms, labs, and offices, which can be used to call for assistance and act as a speaker to broadcast emergency messages. These phones may be used to dial 911 or contact the Campus Safety Team by dialing extension 2200.

Unsafe and unlawful activities should be reported immediately to Campus Safety located at the Main Campus Building (4301 Third Street, Tillamook), in Room 122 or by telephone at (503) 842-8222 ext. 2200. If calling from a campus telephone dial extension 2200 or extension 1100 (college operator) directly.

Individuals who witness a crime or suspicious activity or have knowledge of criminal activity on campus are asked to report the information in a timely manner. Reports are kept confidential to the extent allowed by law.

All employees, students, community members, crime victims and witnesses are strongly encouraged to immediately report crimes and campus safety related incidents occurring on property owned, leased, or otherwise controlled by TBCC to College authorities and the appropriate local law enforcement agency depending on where the crime/incident occurs. Prompt reporting will ensure timely warning notices on campus and timely disclosure of crime statistics. **To report an emergency dial 911** or Campus Safety at extension 2200. All information related to criminal actions will be forwarded to the Tillamook Police Department.

To report a non-emergency, security or public safety-related matter, call The Office of Facilities and Safety at (503) 842-8222 Ext. 1520. Tillamook Police may be reached at (503) 842-2522.

The college is not responsible for the personal property of students, employees, and campus visitors. Items of value should not be left unattended when on campus, or in a parked vehicle.

Incident and Accident Reports/Crime Log

An Incident Report should be completed and returned to the Director of Facilities and Safety in Room 122 within 24 hours of an incident. Incident Report forms are available on the TBCC website on the Human Resources page or in Room 122 in the Main Building. Campus safety requires the combined efforts of staff,

students and the community. Do your part by immediately reporting suspicious behavior, activity, or crimes to the Director of Facilities, and Safety. Any suspicious activity or person seen in parking lots, or on campus, should be reported to Tillamook Police at 911 or (503) 842-2522 (non-emergencies), or Campus Safety at extension 2200. Criminal offenses may also be reported to one of the following authorities on campus who will in turn contact Tillamook Police Department or the appropriate local law enforcement.

In addition to reporting all crimes to local law enforcement, the Director of Facilities and Safety will complete an Incident Report for the crime. Included in the report will be the location, date, time, and nature of the crime as well as the disposition of the matter.

Tillamook Bay encourages anyone who is the survivor of, or witness to any crime to promptly report the incident to the police. Because police reports are public records under state law, the Police Department cannot hold reports of crime in confidence. Violations of the law will be referred to Tillamook Police and when appropriate, to the VP of Student Services or the Director of Facilities, and Safety for review.

It is a survivor's right to choose whether to notify and seek assistance from law enforcement or campus authorities as described above, but they are strongly encouraged to do so.

503-842-8222 ext.1520

Emergency Management

Emergency Response, Evacuation Notifications

The TBCC Emergency Notification System will be used to communicate messages to segments of or the entire TBCC populations as quickly as possible after confirmation is made that legitimate emergency or dangerous situation exists. The use of this system during a declared emergency must be authorized by TBCC's Office of the President, or designee.

Emergency notifications may include but are not limited to:

- Violent threats
- Fire alarms, building evacuations, and lockdowns affecting the entire campus
- Hazardous spills
- Natural disasters
- Campus closures due to a declared civil emergency

The Emergency Notification System is used on request only from authorized personnel. Messages conveyed through the TBCC Emergency Notification System will include specific information regarding evacuation, building lock downs, and other pertinent information directly related to student and staff safety. Contact Campus Safety (503) 842-8222 ext. 2200, to provide any information you may have about an emergency.

Emergency notifications are sent via the TBCC website and FlashAlert, which sends to devices selected by the recipient. Persons on campus will be directed to evacuate the building via notification by email, phone or cell phone. Evacuations due to potential fire will be triggered by the regular fire alarm system.

Weather closures or other emergency closures are recorded on (503) 842-8222 ext. 1100, TBCC website, and FlashAlert.

All employees receive an Emergency Guide as part of new employee onboarding. The Emergency Guide is placed in classrooms and offices throughout the campus. The guide provides information for responding to a range of situations that may affect the campus community. (See Appendix A, Emergency Guide).

Timely Warnings

In the event that a situation arises, either on or off campus, that, in the judgment of the President or designee, constitutes an ongoing or continuing threat, a campus wide "timely warning" will be issued. The warning will be issued through the College e-mail, voice mail, and FlashAlert emergency notification system to students and staff, as is deemed appropriate, excluding victim names to ensure confidentiality.

Depending on the particular circumstances of the crime, especially in all situations that could pose an immediate threat to the community and individuals, hard copy notices may be posted in campus classrooms and in other prominent locations on campus.

Timely warnings may include the following information:

- Information about the incident that triggered the warning
- Date, time and location of the incident
- Suspect information and description (if applicable and available)
- Who to contact at TBCC to report additional information about the crime to (usually Campus Safety at (503) 842-8222 Ext. 2200)

Anyone with information warranting a timely warning should report the circumstances to Campus Safety at (503) 842-8222 Ext.1520 or in person to the Campus Safety Office in Room 122. Campus Safety will send a timely warning to the campus

Violence against Women Reauthorization Act and SaVE Act

In response to the VAWA Act and the SaVE Act TBCC has:

- Adopted FBI definitions for Clery Act Crimes
- Tracks crime statistics include dating violence, domestic violence, and stalking that occur on TBCC campus or Clery Geography and reported to law enforcement or campus authorities.
- Reports VAWA crimes in the Annual Campus Safety and security Survey.
- Provides procedures regarding proceedings and disciplinary action for alleged dating violence, domestic violence, sexual assault and stalking.

Policies and procedures are reviewed to remain current with Title IX, the Clery Act, and Violence Against Women Act.

Messages conveyed through the TBCC Emergency Notification System will include specific information regarding evacuation, building lock downs, and other pertinent information directly related to student and staff safety. Contact Campus Safety (503) 842-8222 Ext. 2200 to provide any information you may have about an emergency.

Weather closures or other emergency closures are recorded on (503) 842-8222 Ext. 1100, TBCC website, and FlashAlert.

Timely Warnings

In the event that a situation arises, either on or off campus, that, in the judgment of the President or designee, constitutes an ongoing or continuing threat, a campus wide “timely warning” will be issued. The warning will be issued through the College e-mail, voice mail, and FlashAlert emergency notification system to students and staff, as is deemed appropriate, excluding victim names to ensure confidentiality.

Depending on the particular circumstances of the crime, especially in all situations that could pose an immediate threat to the community and individuals, hard copy notices may be posted in campus classrooms and in other prominent locations on campus.

Timely warnings may include the following information:

- Information about the incident that triggered the warning
- Date, time and location of the incident
- Suspect information and description (if applicable and available)
- Who to contact at TBCC to report additional information about the crime to (usually Campus Safety at (503) 842-8222 Ext. 2200)

Anyone with information warranting a timely warning should report the circumstances to Campus Safety at (503) 842-8222 Ext.1520 or in person to the Campus Safety Office in Room 122. Campus Safety will send a timely warning to the campus.

Sexual Assault, Domestic Violence, Dating Violence, and Stalking Prevention and Response

Tillamook Bay Community College prohibits sexual assault, domestic violence, dating violence and stalking.

Sexual Assault is defined as any offense classified as a forcible or non-forcible sex offense under the uniform crime reporting system of the FBI.

Domestic Violence is defined as a felony or misdemeanor crime of violence committed by:

- a current or former spouse or intimate partner of the victim,
- a person with whom the victim shares a child in common,
- a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner,
- a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies (under VAWA), or
- any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.

Dating violence means violence committed by a person:

- who is or has been in a social relationship of a romantic or intimate nature with the victim; and
- where the existence of such a relationship shall be determined based on a consideration of the following factors:
 - the length of the relationship
 - the type of relationship
 - the frequency of interaction between the persons involved

Stalking is defined as engaging in a course of conduct directed at a specific person that would cause a reasonable person to:

- fear for his or her safety or the safety of others; or
- suffer substantial emotional distress.

Although the State of Oregon does not define “consent” in reference to sexual activity, below are boundaries to adhere to when engaging in sexual activities:

- Both parties show a clear and mutual understanding of exactly what they are consenting to.
- There is no coercion, force, threats, intimidation, or pressure.
- Both parties express in words or actions a clear willingness to do the same thing, at the same time, in the same way with each other.
- **Silence does not equal consent.**
- Consent is not indefinite, and consent may be withdrawn at any time at which time sexual activity must cease unless and until additional effective consent is given.

If you are a survivor of domestic violence, dating violence, stalking, or a sexual assault at this institution, your first priority should be to get to a place of safety. You should then obtain medical treatment. Tillamook Bay strongly advocates that a survivor of the above crimes reports the incident in a timely manner. Time is a critical factor for evidence collection and preservation. Any of the crimes listed above should be reported immediately.

To report an offense, call Tillamook Police by dialing 911, you may also contact Campus Safety by using one of the emergency phones located in classrooms and throughout the campus and dialing 2200. After receiving your call, Campus Safety will take the necessary action required to respond to the specific situation. In the event a survivor is unable to report a sexual assault, domestic violence, dating violence or stalking crime, TBCC Safety will ensure that the survivor has available the necessary care deemed appropriate. TBCC Safety will also work with the appropriate law enforcement agency to ensure accurate and prompt reporting of the incident.

Filing a report with the above staff will not obligate the victim to prosecute; however, this will result in Campus Safety filing a report with the Tillamook Police Department.

Filing a police report will:

- ensure that a survivor of sexual assault receives the necessary medical treatment and tests, at no expense to the survivor
- provide the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later (ideally a survivor of sexual assault should not wash, douche, use the toilet, or change clothing prior to a medical/legal exam)
- assure the survivor has access to free confidential counseling from counselors specifically trained in sexual assault crisis intervention.

If an offense occurs, services are available for survivors; these include:

Tillamook Regional Medical Center (503) 842-4444

Mental Health:

It is a survivor's right to choose whether or not to notify and seek assistance from law enforcement or campus authorities as described above, but it is highly encouraged to do so.

Students or employees who report they have suffered sexual assault, domestic violence, dating violence or stalking shall be provided with a written explanation of their rights and options at the time of an incident. They will receive written notification of available counseling, health, mental

health, victim advocacy, and other services which may be available—whether they are part of the on-campus community or live in the community.

The College will change a survivor's academic situation after an alleged offense listed above, if requested by the survivor and the changes are reasonably available regardless of whether the survivor chooses to report the crime to Campus Safety or local law enforcement. Options could include enrollment in a different section of a class, withdrawal without penalty, or other reasonable accommodations.

Bystander Assistance Guidelines

If you are a bystander to a domestic violence, dating violence, sexual assault or stalking incident, in order to try to prevent harm or intervene during such an incident, you should immediately call Tillamook Police at 911 or Campus Safety (Dial 2200 from any campus phone or (503) 842-8222 ext.2200). If you witness something that does not look or sound right, don't hesitate to call. Even if the situation resolves before Police or Campus personnel arrive, it still needs to be documented. If, on the other hand, the situation continues to escalate, Police or Campus Safety needs to be notified as soon as possible. Do not get yourself involved in a suspicious or threatening situation; immediately call and indicate that it is an emergency.

Recognizing Abusive Behavior

Domestic violence and abuse can happen to anyone. If you or if you suspect someone you know suffers abuse, contact Tillamook Police, Campus Safety, or the Associate Vice President of Student Services.

Tactics abusers may use towards victims can include the following:

- Blaming the victim or others and making the victim feel it is the victim's fault for the abuser's violent behavior. Many abusers also deny that the abuse even occurred.
- Dominating the relationship including making all decisions, treating you like a child or his/her property.
- Intimidating the victim by using threatening looks or gestures. May also include smashing/breaking things in front of victim. May show victim weapons abuser has, implying that there will be violent consequences.

Abusers are selective about whom they will abuse. They have the power to stop their abusive behavior but choose not to do so unless it suits their purposes. They are also selective about physical abuse they inflict so that it is on body parts that will not show.

If you suspect that someone you know is being abused, call Tillamook Police, Campus Safety or the Vice President of Student Services. By speaking with the police or designated TBCC staff, they will be able to offer help to victims of abuse. If you are being abused, please contact any of the above staff. There is help and resources available to support you in this process.

Students or staff who have orders of protection, no contact orders, restraining orders, or similar lawful orders are encouraged to contact Campus Safety or the Associate Vice President of Student Services who will then be better able to respond in the event of an incident.
