

Dear Applicant,

Congratulations on exploring the Phlebotomy Technician career path!

In this packet, you will find the basic information and application requirements to apply for the Phlebotomy Technician Certificate at Tillamook Bay Community College (TBCC).

TBCC is proud to be accredited by the Northwest Commission on Colleges and Universities. The goal of Tillamook Bay Community College's PBT program is to provide the best education possible to prepare competent entry-level PBT's in the cognitive (knowledge), psychomotor (skills), and affective (behavior) learning domains. This is assured by maintaining the quality of our teaching staff, teaching aides, and equipment, and by following the national curricula. Ultimately, we aim to provide students with the knowledge and skills needed to successfully complete the certification process and function as an entry-level technician.

Registration at TBCC is required prior to application to the Phlebotomy program. Detailed information is available upon request. For convenience, the application steps checklist and point grid worksheet are included in this packet along with the actual application document.

Phlebotomy Blood Draw Consent and Release of Liability

As a student enrolled in the Phlebotomy Certificate Program, I understand and expressly acknowledge that as part of the program there will be physical contact in which students will practice phlebotomy techniques on me, just as I will practice the same techniques on other students in the program. I understand that this is important practice in developing quality phlebotomy skills, which are performed as safely as possible.

I hereby consent to allow students within this program to practice phlebotomy techniques, including venipunctures and capillary punctures on me under the direct supervision of a program instructor, just as I will practice these same techniques on other students in the program. I understand and expressly acknowledge that there are risks, some of which are very rare, associated with phlebotomy, which include, but are not limited to infection, bruising, and other potential damage to surrounding tissue. I voluntarily accept these risks and agree to perform these skills as safely and professionally as possible.

I hereby agree to release and hold harmless TBCC, its officers, employees, agents, and students from any and all liability, claims, demands, actions or caused of action arising out of or related to injuries that I may receive as a direct result of such phlebotomy practice.

By signing this form, I am consenting to performing the procedures stated above and to having the above procedures performed on me and I am releasing Tillamook Bay Community College from liability from any injury that might occur as a direct result from these procedures.

I have read and voluntarily sign the consent and release of liability, and further agree that no oral representations, statements of inducement apart from the foregoing written agreement have been made. Further that I have read and that I understand this release of liability agreement, that I have been given an opportunity to ask any questions I might have had, and that those questions have been answered in a satisfactory manner. I also understand that I am free to withdraw my consent to the procedures at any time.
